The Racer

The Loyal Companion

The Grounded Guide

The Wise Navigator

The Racer

Ready to move. Ready to prove.

This driver brings energy, ambition and momentum.

Watch for: Rushing, impatience or running on empty.

*Curiosity spark:
What am I racing towards,
and what might I be racing
past?*

The Loyal Companion

This driver brings loyalty, empathy and genuine connection.

Watch for: Over-giving or losing sight of your own needs.

*Curiosity spark:
Who supports me as I support others?*

The Grounded Guide

Slow down. Tune in.

This driver brings reflection, intuition and awareness of what matters.

Watch for: Overthinking or remaining still for too long.

*Curiosity spark:
What truly matters to me right now?*

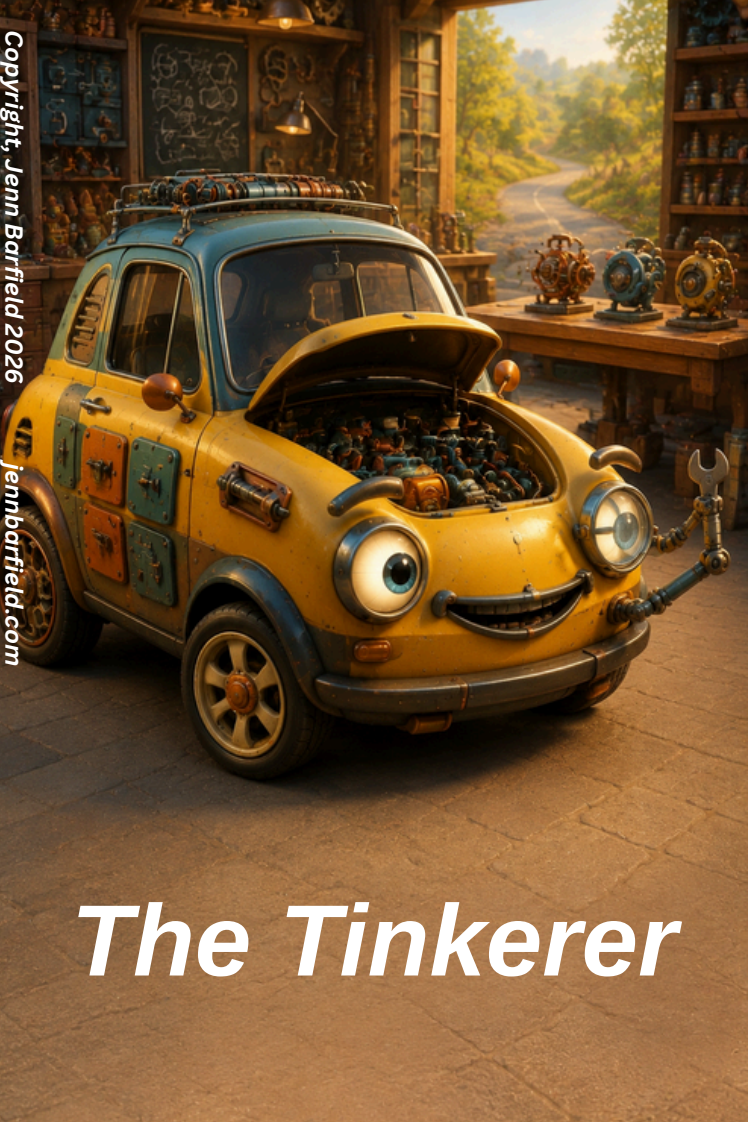

The Wise Navigator

You have travelled far. You know more than you think.

This driver brings wisdom, perspective and pattern recognition.

Watch for: Living in the past or overlooking the value of previous experience.

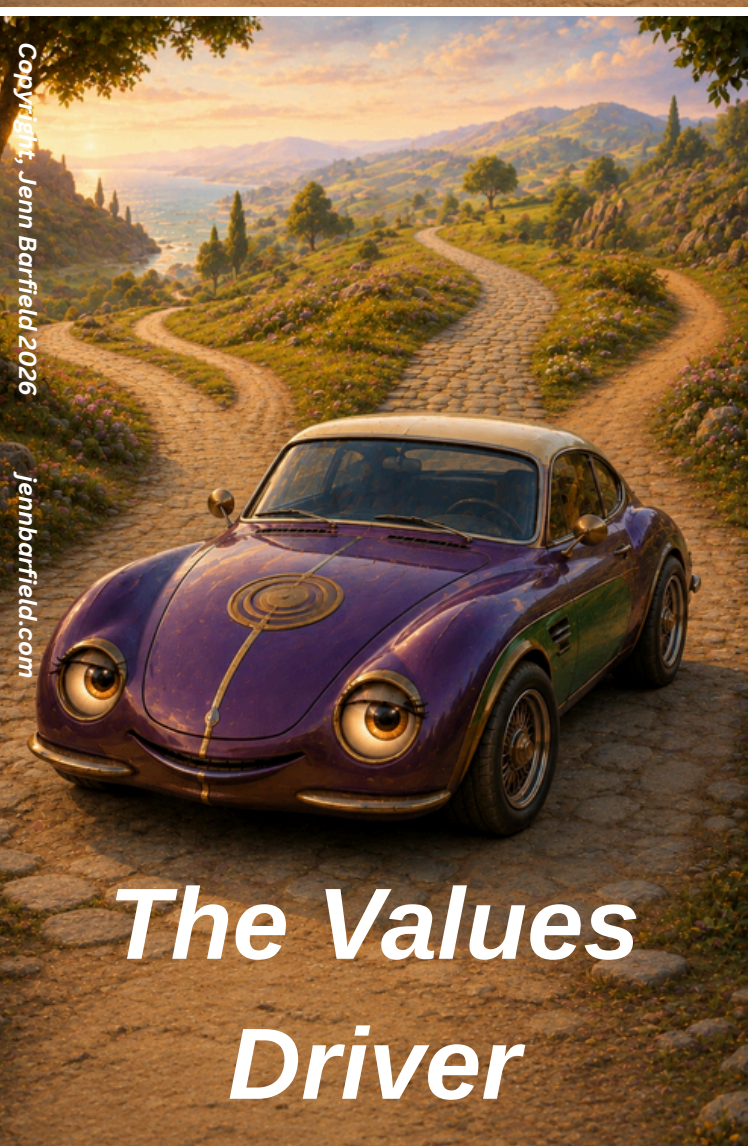

*Curiosity spark:
What from my past is ready to be used in a new way?*

The Tinkerer

The Creative Reinventor

The Values Driver

The Carrier

The Tinkerer

Test it. Tweak it. Try again.

This driver brings problem-solving, curiosity and resilience.

Watch for: Endless adjustments or using experimentation to avoid deciding.

***Curiosity spark:
What am I learning through testing, and when will it be ready enough?***

The Creative Reinventor

You are allowed to become someone new.

This driver brings creativity, adaptability and the courage to experiment.

Watch for: Self-doubt or fear of what others may think.

***Curiosity spark:
What version of me is waiting to emerge?***

The Values Driver

The Detour

The Re-route

Who's Driving Today?

Who Needs the Passenger Seat?

The Detour

Not every unexpected turn is a wrong turn.

This wild card creates space to notice possibilities that were not on the original route.

Watch for: Dismissing an unplanned path before exploring what it might offer.

*Curiosity spark:
What might this detour allow me to notice or explore?*

The Re-route

Changing direction does not erase the road already travelled.

This wild card invites recalibration when circumstances, priorities or possibilities change.

Watch for: Clinging to the original plan or treating a change of direction as failure.

*Curiosity spark:
What is asking me to reconsider my current route?*

Who Is Driving Today?

Notice who has their hands on the wheel.

This card invites you to consider which Inner Driver feels most present right now.

Notice: The qualities, impulses and watch-outs influencing how you are approaching this moment.

*Curiosity spark:
What is this driver helping me do, and what might they be making harder to see?*

Who Needs the Passenger Seat?

Different roads may call for different company.

This card invites you to consider which Inner Driver's qualities could support you next.

Remember: Inviting support does not mean giving up the wheel.

*Curiosity spark:
Who might I need beside me, and what could they bring to the journey?*

You do not need one inner driver to control the entire journey. The curiosity lies in noticing who is currently behind the wheel, who may be running low on fuel and who you might invite into the passenger seat next.
